

Email Subscription for Blog Posts

Description

Via the email subscription, I will send you notifications about new posts on the blog.

By choosing to receive the notifications and validating your email, you agree to the storage of your email address for the receipt of the newsletter and confirm to have read our [privacy policy](#). Rest assured, that you can revoke your consent and terminate the email subscription at any time.

Subscribe

If you wish to unsubscribe from these notifications, please use the link you will find in the welcome email and under each of the emails with a notification. If that doesn't work, please contact us by email or via the contact form.

If the subscription does not work, you can also simply write an email with the express wish to receive the newsletter, and we will enter you manually.
